Mr. Paul Huy Nguyen

President of the Community of Vietnamese Nationalist Association in NSW Australia

Dear Mr. President

We, the Organization representing 24 Associations of Vietnamese Refugees in Germany, would like to express our support to you and the Vietnamese Australians in defending the Yellow flag, which is a Vietnamese Heritage and Freedom Flag and representing the overseas Vietnamese refugee community

We strongly condemn the threat and defamation of our Yellow Flag of a Vietnamese student at Marrickville high school in Australia.

We would also kindly ask the Australian School District and Government to take appropriate action in accordance with applicable laws against this student to educate young people about community harmony and respect for different opinions.

Respectfully

Dr. Hoang Thi My Lam

Chairwoman of the Association of Vietnamese Refugees in Federal Republic of Germany
